

DELHI PUBLIC SCHOOL NEWTOWN
CIRCULAR

Dear Parents,

I am sure you are all aware that the government has given permission for all schools to reopen from the 16th of February, 2022 for classes nursery to 12. We welcome this decision and are gearing up to begin classes for our students in the physical mode. It is very important that they resume their normal routine of attending school and start getting acclimatized to being in school at the earliest.

We have planned to bring in students of Nursery, LKG and UKG to school from the 25th of February, 2022, from 8am to 11.30 am. In case you wish to avail the bus service please register for the transport facility by the 18th of February, for us to work out all the logistics.

The new session (2022-23) will begin from the 7th of April, 2022, in the offline physical mode. All details regarding the distribution of books and uniform will be notified shortly.

We are maintaining all Covid precautionary protocols as directed by the government for the safety of our students and teachers. I would request you to counsel your ward regarding following safety measures like wearing a mask and not grouping up, to keep themselves safe. Your instructions will go a long way in building confidence in the child and help them to acquire this new life skill.

Pending fees, if any, need to be cleared at the earliest.

We request your cooperation so that our children benefit and get back to normal life as soon as possible.
